RE: Appeal - Invoice #UBDI0000257994 dated 07/20/07

To whom it may concern:

On August 3, 2007, Hunt Telecommunications filed an appeal with USAC regarding Invoice #UBDI0000257994 dated 07/20/07. There is reason to believe that the Letter of Appeal in question did not reach its intended destination once received at the USAC office. This is a letter of inquiry to confirm that the Letter of Appeal dated July 30, 2007 was received by USAC and is being processed.

Our office contacted the 888-641-8722 Customer Service number to inquire about the status of the Letter of Appeal, however the representative was unable to view account information relative to appeals and the status of such filings. In addition, the representative was not able to provide our office with a contact name and number, nor guidance as to how to receive an appeal filing status. Therefore, this letter of inquiry is being submitted to the same office where the original Letter of Appeal was submitted in order to receive a response.

The Letter of Appeal was received by USAC on 08/03/2007, which fell within the 15 calendar days available to a contributor upon receipt of a statement for which an inspection or review can be requested. Therefore a copy of the original Letter of Appeal has been included for review versus a new letter of appeal - which would then fall outside of the permitted time frame to dispute the invoice.

RE: Appeal - Invoice #UBDI0000257994 dated 7/20/2007

To whom it may concern:

A letter of appeal is being submitted for USAC review relative to invoice #UBDI0000257994 dated 7/20/07. The May 2007 quarterly Q filing was completed incorrectly and the Interstate totals were combined with Intrastate revenue. The company's interstate traffic total was \$3732.00 and not the \$190,395.00 that was reported. This error was not detected until the invoice from USAC was received for the balance due. Attached is the company's revenue summary report for the reporting period in question (January - March 2007) which reflects the correct figures.

Hunt Telecom acknowledges that the 45 day revision period for Form 499Q filing has expired. However, our filing is being submitted within the 15 calendar days available to a contributor upon receipt of a statement for which an inspection or review can be requested relative to the amount due to USAC. It is the intention of Hunt Telecom to appeal the amount due to USAC which has been calculated based on inaccurate reporting figures. Please see the attached documentation to support the accurate data.

As a result of this appeal, Hunt Telecom would like the opportunity to correct May 2007 Form 499Q filing information to eliminate overpayment and to ensure that the appropriate funds are remitted to USAC as soon as possible or receive further advisement on how to recoup the overpayment of funds.

DETAILED SUMMARY OF CHARGES AND CREDITS

SUPPORT MECHANISM CHARGES

Your monthly support mechanism charges were calculated according to the following formulas:

Quarterly Contribution Base

The quarterly contribution base is a portion of your quarterly revenue that USAC considers when determining your quarterly Universal Service Fund contribution. The quarterly contribution base equals your interstate plus international revenue. Your current quarterly contribution base equals:

$$\begin{array}{rclcl} \$ 190,395.00 & & \$ 0.00 & & \$ 190,395.00 \\ \hline \text{Interstate Revenue (Line 120B)} & + & \text{International Revenue (Line 120C)} & = & \text{Quarterly Contribution Base} \end{array}$$

Adjusted Quarterly Contribution

USAC adjusts carriers' quarterly contribution bases by the amount that they are expected to contribute in that quarter. The calculation for an adjusted contribution amount is as follows, and takes into account the circularity deduction:

$$\begin{array}{rclcl} \$ 190,395.00 & & 0.113000 & & \$ 21,514.64 \\ \hline \text{Quarterly Contribution Base} & * & \text{FCC Contribution Factor} & = & \text{Unadjusted Contribution} \end{array}$$

$$\begin{array}{rclcl} \$ 21,514.64 & & \$ 21,514.64 & & 0.100910 & & \$ 19,343.60 \\ \hline \text{Unadjusted Contribution} & - & \text{Unadjusted Contribution} & * & \text{FCC Circularity Factor} & = & \text{Adjusted Contribution} \end{array}$$

De Minimis Eligibility

Carriers whose expected annual contribution is less than \$10,000 are considered de minimis and are exempted from paying into the Universal Service Fund. To be exempt, a carrier must meet the de minimis criteria on both the current 499A and 499Q forms. You meet the de minimis criteria on the 499A but not on the current 499Q. Therefore, you are not eligible for the de minimis exemption during the current quarter.

499A: Your eligibility was calculated using the contribution factors established by the FCC for determining de minimis status on each form:

| | | | | | | | |
|------------------------|--------------|---|-----------------------------|----------|---|-----------------------------|--------------|
| 499A Contribution Base | \$ 0.00 | * | FCC Estimated Annual Factor | 0.104000 | = | Estimated 499A Contribution | \$ 0.00 |
| Adjusted Contribution | \$ 19,343.60 | * | 4 | | = | Estimated 499Q Contribution | \$ 77,374.39 |

499Q:

For more information on the FCC estimated annual factor, please see the Form 499A Instructions. For more information on the current FCC contribution factor, visit the FCC website at www.fcc.gov.

Support Mechanism Charges

Your total monthly contribution is determined by multiplying one-third of your adjusted quarterly contribution base by the current quarter's FCC contribution factor. Your contribution is then allocated among the four support mechanisms according to the established allocation percentages for the current quarter.

| | | | | | | |
|-----|---|---|--------------|---|--|-------------|
| 1/3 | * | Adjusted Quarterly Contribution | \$ 19,343.59 | = | Total Monthly Contribution | \$ 6,447.86 |
| | * | High Cost Allocation Percentage | 0.631013 | = | High Cost Support Mechanism Charge | \$ 4,068.68 |
| | * | Low Income Allocation Percentage | 0.094124 | = | Low Income Support Mechanism Charge | \$ 606.90 |
| | * | Rural Health Care Allocation Percentage | 0.021388 | = | Rural Health Care Support Mechanism Charge | \$ 137.91 |

Statement Date: 08/22/2007
Invoice Number: UBDI0000263978
Filer 499 ID: 824600

| | | | | |
|----------------------------|---|---|---|--|

RE: **Appeal - Invoice #UBDI0000263978 dated 8/22/2007**

To whom it may concern:

A second letter of appeal is being submitted for USAC review relative to the invoices generated from the May 2007 Quarterly 499Q filing. The first appeal was submitted on 07/30/07 in reference to invoice #UBDI0000257994 dated 7/20/07. This appeal is in reference to Invoice #UBDI0000263978 dated 8/22/2007. It is the intention of Hunt Telecom to appeal the invoices from USAC as we are a *de minimis* provider.

Hunt Telecommunications, a *de minimis* telecommunications provider, completed the May 2007 - 499Q filing incorrectly resulting in two invoices to be generated when otherwise we would not owe due to our low interstate traffic. The company's interstate traffic total was \$3732.00 and not the \$190,395.00 that was reported. This error was not detected until the initial invoice from USAC was received and the appeal process began in July.

Hunt Telecom acknowledges that the initial 45 day revision period for Form 499Q filing had expired upon receipt of the initial invoice. This appeal, as well as the initial appeal on 07/30/07, have been filed within the 15 calendar days available to a contributor upon receipt of a statement for which an inspection or review can be requested relative to the amount due to USAC.

Included in this appeal is a copy of the corrected May 2007 Form 499Q completed 09/05/07. The original has been submitted to the Form 499 Data Collection Agent c/o USAC 2000 L Street, N.W. Suite 200, Washington DC, 20036.

Form 499 Filer ID: 824600

RE: May 2007 FCC Form 499-Q Revision Rejection

Federal Communications Commission (FCC) regulations require carriers to file an FCC Form 499-A annually and an FCC Form 499-Q quarterly and require the Universal Service Administrative Company (USAC) to bill contributors based on reported revenues. See generally 47 C.F.R. Part 54. The May 2007 FCC Form 499-Q was due Tuesday, May 01, 2007, with revisions due by Friday, June 15, 2007 (45 days later). This 45 day form revision window is clearly noted in the instructions for the FCC Form 499 Q, is discussed in a document entitled "Helpful Hints" that was included with the form, and is posted on USAC's website www.universalservice.org. In addition, questions concerning forms and revisions can be addressed to USAC via email at Form499@universalservice.org.

Because USAC received the May 2007 FCC Form 499-Q submitted by the above-referenced Form 499 Filer ID 824600 Hunt Telecommunications, LLC after the due date and outside of the 45-day revision window, the form was untimely and will not be processed.

If this submission was intended to revise revenue reported on a previously filed original Form 499-Q, please note USAC has relied upon the revenue previously projected by you for the purposes of calculating your universal service charges for July, August and September 2007. If you failed to timely file an original Form 499-Q, please note USAC has relied on revenue previously reported by you for the purpose of calculating your universal service charges for July, August and September 2007.

When a carrier fails to file an FCC Form 499 by the due date, in order to calculate universal service charges for the relevant period, FCC regulations require USAC to estimate that carrier's revenue based upon previously reported revenue information.

Please note that although you missed the revision window for submission of the Form 499-Q, the annual/quarterly (A/Q) true-up will provide a remedy. USAC's 2008 A/Q true-up will reconcile and revise contributor's account accordingly. The 2008 Form 499 A, reporting annual 2007 revenue, has a due date of April 1, 2008. Upon receipt of contributor's 2008 Form 499-A, USAC will perform the A/Q true-up and post appropriate credits or adjustments to your account.

If you wish to appeal this decision with USAC, your appeal must be postmarked no later than 60 days after the date of USAC's rejection letter. Appeals postmarked after 60 days from the date of this letter will be automatically dismissed.

In the event that you choose to appeal the decision, you should follow these guidelines:

- Write a "Letter of Appeal to USAC" explaining why you disagree with this Form 499-Q rejection letter and identify the outcome that you request.
- Be sure to refer to CC Docket No. 96-45 on all communication with the FCC.
- The appeal must identify the "Legal Reporting Name" and "Filer 499 ID".
- Provide necessary contact information. Please list the name, address, telephone number, fax number, and e-mail address (if available) of the person who can most readily discuss this appeal with USAC.
- Explain the appeal to the USAC. Please provide documentation to support your appeal.

- Attach a photocopy of this Revised Form 499-Q Rejection decision that you are appealing.
- Mail your letter to:
Letter of Appeal
USAC
2000 L Street, NW, Suite 200
Washington, DC 20036
- **Appeals submitted by fax, telephone call, and e-mail will not be process**

The response will indicate whether USAC:

- Agrees with your letter of appeal, and approves an outcome that is different from the Revised Form 499-Q Rejection Letter; or
- Disagrees with your letter of appeal, and the reasons therefore.

If you disagree with USAC's response to your "letter of appeal," you may file an appeal with the FCC within 60 days of the date USAC issued its decision in response to your "Letter of Appeal." Again, please note your appeal must be postmarked no later than 60 days after the date of the Appeal Decision. Appeals postmarked after 60 days from the date of USAC's response to your appeal will be automatically dismissed. The FCC rules governing the appeals process (Part 54 of Title 47 of the Code of Federal Regulations 54.719 – 54.725) are available on the FCC web site (www.fcc.gov).

Please be sure to refer to CC Docket No. 96-45 on all communication with the FCC. The appeal must also provide your company's name and Filer ID, plus necessary contact information, including the name, address, telephone number, fax number, and e-mail address of the person filing the appeal. Unless the appeal is by ECFS, please include a copy of the decision at issue.

Appeals submitted via the United States Postal Service, should be sent to the address below (For security purposes, hand-delivered or messenger-delivered documents will not be accepted at this Washington, DC address):

Federal Communications Commission
